

# Policing the Isle of Wight

**Hampshire**  
POLICE AUTHORITY  
for Hampshire & the Isle of Wight

Hampshire Constabulary is responsible and accountable to the community it serves. Hampshire Police Authority is an independent organisation responsible for overseeing Hampshire Constabulary on your behalf. We have put together this summary of policing to show how we are tackling priorities and dealing with issues where you live.

■ “We work with our partners and consult with the public to find out how we can best deliver the most effective and efficient police service for Hampshire and the Isle of Wight. The information here aims to show you how crime is being dealt with in your area and how the police will focus on your concerns in the coming year.”

**Mike Attenborough-Cox, Chairman,  
Hampshire Police Authority.**

■ “This summary highlights how Hampshire Constabulary is performing and provides policing information for 2007/08. With you and our partners, we have identified our priorities, including the continued implementation of neighbourhood policing, to make sure we deliver a service where it matters most to local communities.”

**Paul Kernaghan QPM CBE,  
Chief Constable, Hampshire Constabulary.**

If you would like to get involved in the consultation we carry out within the community, find out more about our plans for the future, or read a full copy of the local policing plan, please call us on 01962 871595 or visit our website [www.hampshirepoliceauthority.org](http://www.hampshirepoliceauthority.org).

## Policing priorities

By continuing to put resources into neighbourhood policing, we aim to make Hampshire and the Isle of Wight safer places to live, work and visit. By listening to the public and working with our partner organisations, we have targeted a number of issues which we will specifically focus on in the coming year, and we will work to:

- **Enhance Safer Neighbourhoods**
- **Strengthen Public Protection**, including missing persons, child abuse, domestic abuse, Multi-Agency Public Protection Arrangements and hate crime.
- **Protect our communities** from terrorism, domestic extremism and major disasters
- **Reduce and detect crime**, including drug and alcohol related crime, violent crime, major, serious and organised crime.

## Did you know?

- **There are 209 police officers** working on the Isle of Wight and over 67 per cent of their time is spent on the beat (national average is 63 per cent). Intelligence gathering is key to modern policing, and many officers are involved in work which isn't always immediately visible.
- **Hampshire Constabulary currently has 347 Police Community Support Officers (PCSOs) on the beat.** There are 29 on the island.
- **PCSOs work within their local community** to support the work of police officers. They are there to deal with incidents of disorder and anti-social behaviour. They have the power to detain people, search bags and vehicles, help victims and witnesses but they do not investigate crime or make arrests.

## How are the police performing where you live?

Police work is constantly monitored to improve performance. The Isle of Wight Operational Command Unit (OCU) is in the top 25 per cent of most similar OCUs across the country for its detection rate. The Isle of Wight OCU is also in the top 25 per cent of most similar OCUs for the lowest rate of crime per thousand population.

■ "In 2006, police and staff in the Isle of Wight Operational Command Unit (OCU) were some of the first to begin implementing a new style of policing called Safer Neighbourhoods. You may have already seen Police Community Support Officers and Safer Neighbourhood Teams making a difference to the area you live in. Safer Neighbourhood Teams are dedicated to working with the community and partners on the issues that are important to the neighbourhoods the teams serve. There are lots of ways that communities can get involved with creating Safer Neighbourhoods, for example by attending neighbourhood forums, offering to help in your community as a Special Constable or volunteer. Find out which Safer Neighbourhood Team is responsible for the area you live in by visiting [www.hampshire.police.uk](http://www.hampshire.police.uk) and clicking on the interactive map, or call 0845 045 4545. If you have any community safety concerns or any information which would be useful to the police, please get in touch."

The commander of the Isle of Wight OCU is Chief Superintendent Stephanie Morgan.
